Artist: Guns N Roses
Song: November Rain

```
F                Dm
When I look into your eyes
                C
I can see a love restrained
F                Dm
But darling when I hold you
                C
Don't you know I feel the same
Dm                G
Cause nothin' last forever
                C
And we both know hearts can change
Dm                G
And it's hard to hold a candle
                C
In the cold november rain
F                Dm
We've been through this such a long, long time
                C
Just tryin' to kill the pain, oh yeah
F
But lovers always come and lovers always go
                Dm                C
And no one's really sure who's lettin' go today
Walkin' away
F
If we could take the time to lay it on the line
Dm
I could rest my head
                C
Just knowin' that you were mine
All mine
Dm                G
So if you want to love me
                C
Then darlin' don't refrain
Dm                G
Or I'll just end up walkin'
                C
In the cold november rain
F                G
Do you need sometime on your own?
                F                G
Do you need sometime all alone?
                F                G
Everybody needs sometime on their own
                F                G
Don't you know you need sometime all alone
Em                F                C
I know it's hard to keep and open heart
Em                F                Dm
When even friends seem out to harm you
Em                F                C
```

But if you could heal a broken heart
 Em F G
 Wouldn't time be out to charm you
 F G
 Sometimes I need sometime on my own
 F G
 Sometimes I need sometime all alone
 F G
 Everybody needs sometime on their own

F G
 Don't you know you need sometime all alone
 F
 And when your fears subside
 Dm C
 And shadows still remains, oh yeah
 F Dm
 I know that you can love me
 C
 When there's no one left to blame
 Dm G
 So never mind the darkness
 C
 We still can find a way
 Dm G
 Cause nothin' lasts forever
 C
 Even cold november rain

END
