

## THE RIVER OF DREAMS (Billy Joel)

G G

In the middle of the night I go walking in my sleep

C D

From the mountains of faith to a river so deep

G G

I must be looking for something something sacred I lost

C D

But the river is wide and it's too hard to cross

**Em** **D**  
And even thought I knew the river is wide  
**C** **Am**  
I walk down every evening and I stand on the shore  
**Em** **D**  
And try to cross to the opposite side  
**Am** **D**  
So I can finally find out what I've been looking for

G G

In the middle of the night I go walking in my sleep  
C D

Through the valley of fear to a river so deep  
G

And I've been searching for something taken away of my soul  
C D

Something I would never lose something somebody stole

**Em** **D**  
I don't know why I go walking at night  
**C** **Am**  
But now I'm tired and I don't walk anymore  
**Em** **D**  
I hope it doesn't take the rest of my life  
**Am** **D**  
Until I find what it is I've been looking for

G G

In the middle of the night I go walking in my sleep

C D

Through the jungle of doubt to a river so deep

G G

I know I'm searching for something something so undefined

C D

That it only can be seen by the eyes of a blind

G

In the middle of the night

G G

In the middle of the night I go walking in my sleep

C D

Through the desert of truth to a river so deep

G G

We're all land in the ocean we all start in the streams

C D

We're all carried along by the river of dreams

G

In the middle of the night
