

## LAY LADY LAY

*Bob Dylan*

**A      C#m    G      Bm      A    C#m    G    Bm**

Lay, lady, lay, lay across my big brass bed

Lay, lady, lay, lay across my big brass bed

**E      F#m      A**

Whatever colors you have in your mind

I'll show them to you and you'll see them shine

**A      C#m    G      Bm      A    C#m    G    Bm**

Lay, lady, lay, lay across my big brass bed

Stay, lady, stay, stay with your man awhile

Until the break of day, let me see you make him smile

**E      F#m      A**

His clothes are dirty but his hands are clean

And you're the best thing that he's ever seen

**A      C#m    G      Bm      A    C#m    G    Bm**

Stay, lady, stay, stay with your man awhile

**C#m                    E    F#m    A**

Why wait any longer for the world to be gin

**C#m                    A**

You can have your cake and eat it too

**C#m                    E    F#m    A**

Why wait any longer for the one you love

**C#m                    Bm**

When he's standing in front of you

Lay, lady, lay, lay across my big brass bed

Stay, lady, stay, stay while the night is still ahead

I long to see you in the morning light

I long to reach for you in the night

Stay, lady, stay, stay while the night is still ahead

play A using the F shape on the 5th fret and C#m using the Bm shape on the 4th fret and the F shape on the 3rd fret for G then Bm as shown in chord diagram

it makes an easy progression.
