**Em** **Fmaj**  
London calling to the faraway towns  
**G**  
Now that war is declared-and battle come down  
**Em** **Fmaj**  
London calling to the underworld  
**G**  
Come out of the cupboard, all you boys and girls  
**Em** **Fmaj**  
London calling, now don't look at us  
**G**  
All that phoney Beatlemania has bitten the dust  
**Em** **Fmaj**  
London calling, see we ain't got no swing  
**G**  
'Cept for the ring of that truncheon thing

CHORUS

**Em** **G**  
The ice age is coming, the sun is zooming in  
**Em** **G**  
Engines stop running, the wheat is growing thin  
**Em** **G**  
A nuclear error, but I have no fear  
**D**  
London is drowning-and I live by the river

**Em** **Fmaj** x2

**Em** **Fmaj**  
London calling to the imitation zone  
**G**  
Forget it, brother, an' go it alone  
**Em** **Fmaj**  
London calling upon the zombies of death  
**G**  
Quit holding out-and draw another breath  
**Em** **Fmaj**  
London calling-and I don't wanna shout  
**G**  
But when we were talking-I saw you nodding out  
**Em** **Fmaj**  
London calling, see we ain't got no highs  
**G**  
Except for that one with the yellowy eyes

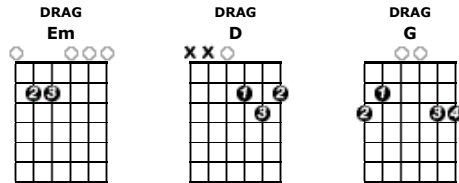

CHORUS

Solo: **Em** , **Fmaj**, **G** (It's really just rapid picking, but I wrote it differently)
